Name	Unit Price	Freight	Notes
Tremco GP Gypsum Dens-Deck Roof Board, Dens-Deck Prime, and Dens-Deck DuraGuard	See price charts on next page. Price is per Square at truckload quantity. LTL quantities subject to additional freight.	Shipped direct from supplier. Two week lead time required on all orders. Full truckloads are freight free with the exception of Hawaii, Puerto Rico, and non-mainland, which are FOB shipping point. Quantities less than truckload are available at truckload pricing plus deficit freight. Contact Customer Service for deficit freight estimates. Deficit freight is applied to all partial truckload quantities in excess of a full truckload.	NO DISCOUNTING. Orders must be in full units (pallets) only. 4' x 4' boards require two week lead time. Standard Dens-Deck is not available in 4' x 4' boards. (If 4' x 4' boards are required, please order Dens-Deck Prime.) Due to limited warehouse space, no returns.

Description: ASTM C 1177 / ASTM C 1177M-08, water resistant, silicone treated, fiberglass faced roof board.
Dens-Deck Prime features a non-asphaltic, black surface treatment on one board face which minimizes adhesive absorbency.
Dens-Deck DuraGuard features a low perm, blue, heat-cured coating on top, ideal for self-adhesive modified bitumen membranes.

TPA ACCESSORIES							
TPA (UnReinforced) Flashing Membrane							
505-255-503		\$6.25	approx. /sq.ft.	1 roll	\$374.80		
Description: White, Tri-Polymer Alloy 55 mil Unreinforced membrane. Roll size 24" x 30' (60 sq.ft.). For drain details (NOT FOR USE AS WALL FLASHING) .							
TPA Small Flashing Boots							
505-210-501		\$48.18	each	10/case	\$481.80	15#/case	
Description: White, Small Boots . 1-4 in. O.D., 16 3/4" x 17" x 9 1/2"							
TPA Large Flashing Boots							
505-215-501		\$54.88	each	10/case	\$548.75	18#/case	
Description: White, Large Boots. 4-8 in. O.D., 16 3/4" x 17" x 9 1/2"							
TPA Universal Corners							
505-220-503		\$11.52	each	20/carton	\$230.30		
Description: Universal Corners (inside and outside), Reversible for White or Gray finish. Both sides suitable for weathering.							
TPA Cover Strip							
505-240A-503		\$3.07	approx. /sq.ft.	1 roll	\$165.65		
505-240C-503		\$3.07	approx. /sq.ft.	1 roll	\$153.40		
Description: TPA 45 mil white reinforced flashing membrane. 6" x 108' (505240A503) and 6" X 100' (505240C503).							
TPA Walkway Roll							
505-415-503		\$3.72	approx. /sq.ft.	roll	\$669.85	99#	
Description: TPA 72 mil (80 mil nominal) Walkway, 3' x 60' roll							
Note: Gray, Serrated Surface, Non-Fleeceback Walkway for TPA roof system. Made to order. Minimum 2 week lead time. Shipped from Providence, RI.							
TPA Walkway Roll							
505-417-503		\$5.16	approx. /sq.ft.	roll	\$929.25	129#	
Description: TPA 156 mil Walkway, 3' x 60' roll							
Note: Yellow, Serrated Surface, Non-Fleeceback Walkway for TPA roof system. Made to order. Minimum 2 week lead time. Shipped from Providence, RI.							
TPA Coated Metal							
505-230C-503		\$301.10	sheet	1 sheet	\$301.10	44# per sheet	
Description: White, Tri-Polymer Alloy Coated Metal 4' x 10'. Consists of 0.020" TPA laminated to 24 gauge G-90 galvanized metal.

Roof Plants - Sedums SEDUM		Price Varies Based on Plant List	sedum plug			FOB Shipping Point Perishable: Unpack & water immediately.
Coverage: 2 plant plugs/sq.ft. minimum. 4 plant plugs/sq.ft. can provide 100% coverage after 1 year growth.						
Description: Sedum varieties are sturdy succulent plants which grow close to the substrate. Sedum plugs are 1.5" diameter by 3" deep. Ideal for Extensive (3" to 6" deep) Vegetated roof assemblies						
Notes: Three week lead time minimum. Must provide notification prior to order; Supplier may require additional production planning. Orders in excess of 20,000 plants require up to 6 week lead time for additional plant cultivation. Orders less than 20,000 plants will most likely ship via UPS. UPS boxes are 210 plugs/box. UPS deliveries will only ship on Monday, Tuesday, or Wednesday to assure plants are not detained over the weekend, because plants are perishable.						
Roof Plants - Cuttings CUT	Not Available Oct thru Mar	Call for Price	Square	Call for Price		FOB Shipping Point Not Available October thru March. Perishable: Unpack & water immediately.
Coverage: Supplied per square, typical 10SQ/crate						
Description: Sedum cuttings are a "Sedum Meadow Mix" blend of multiple sedum varieties. Cuttings provide additional vegetation to fill in areas. Rooftop irrigation required to enable growth. Weight of crate is variable due to moisture loss of cuttings after harvest. Box contains 25 lbs when harvested.						
Notes: Three week lead time minimum. Must provide notification prior to order; Supplier may require additional production planning. UPS deliveries will only ship on Monday, Tuesday, or Wednesday to assure plants are not detained over the weekend because plants are perishable.						
Sedum Mat SEDUMMAT	Eastern Division	Call for Price	Roll	Call for Price		FOB Shipping Point Stevensburg, VA Perishable: Unpack & water immediately.
Coverage: 25 sq ftroll with approximate dimensions of 4' x 6'. Ranges from 1 to 1.5" thick. Weighs approx 2 lbs/sq ft dry (approx 3 lbs/sqft saturated).						
Description: 8 to 10 Sedum varieties pregrown (approx 85% coverage upon delivery) onto a cocomat base and Growing Media.						
Notes: Substantial lead times are required. Must notify Sustainable Technologies Rep and Product Management Group prior to order. Supplier requires advance planning for order.
